## WELCOME BACK TO SCHOOL

# ALL ABOUT SUMMER

My favorite water activity were...  
snorkeling<sup>and</sup> swimming. I also played volleyball in the Philippines. It was so fun. The beach water was so clear. I could see fish. When I went snorkeling, I saw a clown fish just like the one in Finding Nemo. When I was playing volleyball, at first, I was losing but eventually, I won.

King  
(5B)

My favorite summer treat was...

ice cream, sushi, pizza and spaghetti. I also liked white rice because it is yummy. It is fun to eat ice cream in summer as it cools you down. I went out in summer with my family and ate all the yummy food because I enjoy eating.

Paisley  
(4B)

I travelled to...

Korea in summer. I went there with my family. I was nervous before getting on plane. When we reached Korea, I was shocked to see how clean the country was.

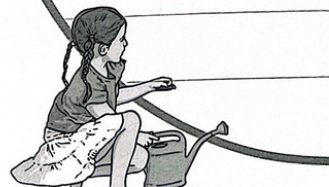

The hotel was luxurious. We went to a zoo and saw a lot of animals. Giraffes, monkeys and donkeys.

We had a lot of fun.

I loved this summer because...

I went to Thailand and Mainland China. While I was in Thailand, I tried para gliding and scuba-diving. I could see a lot of beautiful corals when I was swimming. I had so much fun.

# MY GOALS FOR THE NEW SCHOOL YEAR

Elysha  
(6B)

I am looking forward to learning...  
General Studies because I am interested in law and history.  
Law and history teach us about the important rules and events which happen around the world.

I hope to achieve...  
good marks in my Chinese exam  
I need to revise more vocabularies that so I can achieve my goal. Also, I will try to read more as this will help me learn new words.

Brendan  
(6B)

John  
(5A)

1. Achieve good grades in exams and tests
2. Complete my homework on time
3. Improve English vocabulary by reading more books

I hope to improve...

my grades so that I can go to a good secondary school. I also want to study hard as secondary school is tougher

Luna

# TEACHER'S CORNER

Miss Hadia

Hello Students!

Welcome back to another fun school year. In summer, I visited my favorite country, Malaysia. I went to the capital city, Kuala Lumpur and took this amazing photo in front of the Petronas Towers. I had a wonderful summer and hope yours was too. Wishing this new school year to be fun filled, educational and healthy for all of us. See you around!

Mr Richard

Hello students!

As we are now in the new school year, it is time to look back at our summer memories! We decided to have a relaxing summer vacation in Hong Kong. We stayed at the Ocean Park Hotel as well as Disneyland Hotel Resort. We had so much fun as we spent our time swimming and of course eating lots of delicious food. Wishing you a happy school year full of beautiful and long-lasting memories!

Ms Ng

I went to Korea with my family during the summer holiday. I visited different places and ate different food. The most impressive activity was joining the local tour in Korea. I visited Petite France which is a French cultural village set in the Korean countryside. It is designed with flowers, stars, and a Little Prince. I tried Stir-fried Spicy Chicken and it was spicy and delicious. I liked it a lot. I also visited the Gangchon rail park to ride a rail bike and enjoy the beautiful scenery. The memories of this trip are still fresh in my mind. I am looking forward to my next trip.

## Upcoming Events

- 1st Exam (16 - 21st/11)
- Thanksgiving Day (24/11)

## Game Zone

## Quiz Time!

WISHING YOU A SCHOOL YEAR FILLED WITH NEW DISCOVERIES, EXCITING CHALLENGES, AND AMAZING OPPORTUNITIES.
