# Which Chinese Zodiac sign are you?

Elysha  
(6B)

Rabbit people are nice to be around. My friends can trust me and I am easy to talk to. Some sad moments can be upsetting for me.

John  
(5A)

Snake people are independent and that's why I like to work independently. I love books! As snakes, we can be a little stingy.

Luis  
(5A)

Happy New Year to all the dragons! We as dragons are good friends but we can be stubborn in some situations.

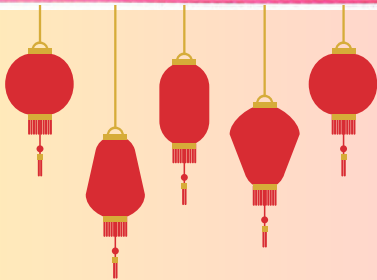

Ivan  
(4B)

I am hard working just like  
horse people. I like to work  
independently but sometimes I  
am impatient.

Zina  
(3A)

Just like goat people, I  
am artistic and wise. I  
like to ask questions  
but I am sometimes shy.

Becky  
(2A)

Monkey people are very  
funny and so am I! I  
can make my friends laugh  
but I am sometimes a little  
mischievous.

Anson  
(1C)

Roosters are well organised  
and punctual just like  
me. Sometimes, my emotions  
can be high or low but  
I learn to handle them.
