PRINCIPAL'S MESSAGE

Time flies!

I have been working in LST Lau Tak Primary School for nearly one year. I do feel Lau Tak is a wonderful school. Trees, flowers and even Chinese herbs are planted everywhere. The environment here is calm and quiet. Every morning, I can hear birds singing at the school campus. Sparrows visit the school frequently and they like to sit on the branches of the trees to take a rest. Once I saw a swallow want to build a nest outside my room but unfortunately it gave up because it was disturbed by other birds when building the nest. It then flew away and I never see it again.

Lau Tak kids are smart and lovely. All of them are energetic and intelligent. They like asking questions and always show their talent any time. They like expressing their thoughts and ideas and share them with each other whenever and whatever they want. Once, I gave them each a blank sheet to write down their wishes of "New things for Lau Tak". After collecting the ideas from them, I found that most students want to have a tuck shop as well as a swimming pool at school. They also want to attend various kinds of activities after school, such as debate, basketball training, swimming lesson and so on. How clever and creative the Lautaknites are! I do

hope they can enjoy the school life at Lau Tak and can apply what they have learnt in their daily lives!

I strongly believe that parents of Lau Tak are very supportive and cooperative. They are very eager to attend the school activities, such as the activities for the 23rd Anniversary of Lau Tak, the Social Gatherings for the Chinese Year and the Weekly Chit-chat sessions with the Principal. Lau Tak also designs many educational programmes and provides many opportunities for parents to participate in the activities, which they can communicate with teachers and other parents easily. All these things we do are to let our parents feel that they are the members of the school.

It is my desire that with the help of our teachers and parents I can provide Lautaknites with the best opportunities for learning and personal development. I have the confidence that Lautaknites will develop their positive values and attitudes through a wide range of educational programmes in the future.

Festival

A Special Day

Every year, my family and I celebrate Christmas. We go to Tsim Sha Tsui to watch the lights.

This year, we went to hold a party. I decorated my home beautifully, and I prepared different kinds of food such as turkey, Christmas puddings, sausages with pineapples and so on. All of them were delicious.

After one hour, all my friends came to my home one by one. We started our celebrations. First, we sang Christmas carols. Next, we ate Christmas cakes. Then, we played games. After that, we exchanged presents. Finally, we ate a lot of party food. I felt excited.

The most memorable thing was playing games and lucky draw. I got a pair of fluffy slippers. There was an 'angry bird' on top. I liked the slippers very much. I hope we could have a party like this next year.

Halloween

Today is Halloween. I like this day because I can see many children making up on their faces. They look very cute. I go down to the garden. I play with the children. I meet Alan. There are red and black colours on his face. He looks like a spiderman. He gives me some Halloween candies. I am very happy.

My special festival

This special festival for me is on the twenty-fifth of December. It is Christmas Day. I believe in Jesus Christ. Many people believe in Jesus Christ too. It is a historical fact. This is to celebrate the birth of Jesus Christ. He became memorable since his death. He gave up his life to save people all over the world. He taught people how to live their lives to the fullest. That's why people want to commemorate him.

I like it because I can have a long holiday. I can visit other places with my family. Besides, we can have very yummy food to eat, likes Christmas cake.

Last time, I ate turkey for Christmas dinner. In the evening. I ate different kinds of food for my meal. Also, I traded Christmas cards with my friends. Moreover, I went camping with my family to Cheung Chau. We enjoyed breath-taking views and bought some handicraft there, I was so happy. You can go there and enjoy your "tailor-made" Christmas holiday, too.

A Special Day

Every year, my family and I celebrate Chinese New Year. We did a lot of things.

This year, we celebrated Chinese New Year at home. On the Chinese New Year Eve, we had a big reunion dinner with my family. Then, we went to the flower market and bought plenty of things and flowers. In the flower market. We saw many kinds of flowers. Each of them had their own meaning. They were very beautiful and colourful. We played stall games at the park near my home and won a lot of prizes. On the second day of the Chinese New Year, we went to watch fireworks. Some of them looked like dragons. Some of them were marked the Year of 2012. It was amazing.

The most memorable thing for me was my mother taking me to visit my friends and relatives. All of them were kind and helpful. I received a lot of red packets from them. I saved up all my red packets and bought things I like. I would also leave red packets to buy a present for my mum too.

My special festival

There are different festivals in Hong Kong. My favourite festival is Christmas. It is on 25th December. I think it is very special because Jesus was born and many people celebrate his birth that day, so it is a happy day. When Jesus was born, three people visited him and gave him presents to welcome him.

Christmas is a big festival so we have a long holiday. It is the main reason why I love Christmas. In this holiday, I would like to have a party. I will invite my family and friends to join the party. In the party, we will have a gift changing game. All of us must come with a present. Then when the music starts, we circulate the present to one another. When the music stops, the present on your hands belongs to you. Besides, we will have some interesting things to do. Last year, my family and I went out to celebrate Christmas. We went to Tsim Sha Tsui to have a big Christmas meal. There was lots of food such as turkey and salad. It was delicious. After that, we went to watch the Christmas lights. Sometimes, we listen to some Christmas Carols.

As a conclusion, there are many things to do and food eat at Christmas. It is really a special festival.

快樂的節日

逛年宵花市

大除夕晚上，我們一家人和鄰居一起到寶康公園逛年宵花市，那裏的人真多，公園裏擁擠得水洩不通，真熱鬧！

那兒的攤檔有些售賣龍年的小擺設，有些售賣賀年糖果和揮春，我還看見一個售賣布偶的攤檔，那裏有賣小熊布偶，很可愛的。我於是問爸爸可不可以買一個給我，爸爸竟然答應，我當時高興得跳起來。

今年的除夕，我覺得過得比去年更開心，更好。

逛年宵花市

在大除夕的晚上，我和朋友們一起到寶康公園逛年宵花市，那裏水洩不通。

在那裏，擺放了很多攤子。那些攤子賣的都是玩具、賀年糖果、年花和揮春。那些年花有劍蘭、水仙和桃花。我的朋友們就選購了年花和賀年糖果，但是我們要把年花高高舉起，因為那裏真是太擁擠了。

在那天晚上，我真是太開心了，因為我可以買到很多新奇的東西，而且又可以和朋友一起逛年宵花市啊！

新春團拜

星期一是元宵節，也是樂善堂劉德學校的家長、同學、老師和校長團拜的日子。

當天上午，我和媽媽一早上學去，我的心情覺得非常興奮，因為我會與二年級及三年級的所有同學一起表演唱歌。

鈴！鈴！鈴！早會的鐘聲響了，我們立刻跑去排隊。老師在台上說：「團拜開始了！」首先，六年級同學和我們猜燈謎；然後，到一年級說祝賀詞，接着到六年級同學再說元宵的由來；最後到我們表演了，我們十分興奮，我們唱<<恭喜，恭喜>>。

終於到了團拜時刻，就是向老師、家長和校長討紅包和說一些恭喜的說話。

這天，我覺得十分高興，因為我可以討紅包、唱歌和猜燈謎。

恭喜！

新春團拜

今天就是元宵節，也是樂善堂劉德學校的家長、老師、校長和同學團拜的日子。

每班都會表演節目給大家欣賞。首先表演的就是六年級。他們介紹了元宵節是怎樣來的，然後到一年班的表演。他們用普通話和廣東話祝福大家。接着到五A班，他們用各地方言說祝福語。最後，三A班和二A班一起大合唱<<恭喜、恭喜>>。還有校長對我們說了很多祝福語。校長說完話後，我們就開始向家長和老師討紅包。我討了十個紅包。這一天，我真的玩很開心，心情也很興奮啊！

快樂的春節

大年初一的早上，我一早就起了床。梳好了頭髮，換上了新衣，等着親戚們來拜年！

過了一會兒，親戚們來了！他們一進門就給我紅包，還請我們出去吃飯呢！飯菜香味四溢，我們都吃得津津有味！我們吃完了飯，而時間也不早了，親戚們便陸陸續續地回家了！

過年真好！不僅有紅包，有新衣服穿，還可以盡情地玩！我真希望天天過年！

6A 方泳珊

快樂的春節

鈴鈴……。朦朦朧朧地在甜美的睡夢中被吵鬧的鬧鐘吵醒。這時，傳來樓下小孩響亮的歡笑聲，令我想起，啊！今天是新年的來臨。我急不及待地把我那儲備已久的「彈藥箱」拿到樓下「亮相」。

「霹靂啪啪」的真開心。一直到了下午，親戚們來個不停。家裏熱鬧得很。親愛的紅包們也來向我拜年。晚飯的時候，媽媽、婆婆忙個不停，又加糖，又加醋。開年飯可好得很。晚上，一家人去看賀歲片。

唯一的遺憾是我沒吃糖果。但我也真的很開心。
