最守秩序同學：謝梓楓

最愛幫助同學：張齊鋨

眨眼間已過了半個學年，很快樂看見 1A 班的同學逐漸適應小學的生活，每天歡樂地學習和生活。作為班主任的我，除了因著同學勤奮好學、學業有成而欣喜；令我欣慰的更是看到同學們互助互愛不分彼此的一幕幕情景：帶同學去洗手間、幫同學拿小息袋、替同學整理衣服等。盼望這班出生自不同國家、有著不同性格的同學能繼續在劉德學校健康愉快的成長。

劉德之最精乖伶俐 1B 班

最有禮貌同學：鄭悠永

最守秩序同學：鄧德林

最愛幫助同學：陳梓欣

今年的 1B 班同學活潑可愛，彼此相處融洽，互相幫助。在小息的時候，會結伴一起玩和吃東西。上課時又會積極舉手回答問題，做小老師教導同學。作為班主任的我，最高興的是看到他們越來越投入校園生活。短短幾個月，他們已經開始建立良好的自理能力，希望 1B 班的同學繼續享受校園的生活，在老師的教導和照顧下茁壯成長。

Learning Chinese sounds easy to many Hong Kong kids as Cantonese is their mother language. However, learning a foreign language is not an easy task if there is not enough support from families and friends.

In our school, some kids can speak English well. However, their performance in Chinese is not satisfactory. Even some of them score a pass mark, the process of learning Chinese is difficult and harsh for them.

Herein I interview some students. Honestly, they all agree that learning Chinese is demanding. However, they do try out a lot of attempts to overcome all the difficulties.

2A Corryn says, 'To learn Chinese, I watch television. I am keen on watching cartoons but only some of them have Chinese titles. Beyond that, my Putonghua is better than my Cantonese because my mum speaks Putonghua to me every day. To learn something difficult, I think studying it every day is very important.'

2B Rheanne suggests, 'I do not know many Chinese words as I think they are difficult to learn. I am a bit sad whenever I get my result. Luckily, my dad helps me a lot on my homework. As the new year comes, I set my new resolution. I must read Chinese books every day with my dad's help. At least I can do the Chinese homework on my own.'

2C Natalie responds, 'To learn Chinese, I ask my friends to teach me. My mum helps me a lot, but still I have learning difficulties in recognizing the Chinese characters. Yet, I tell myself to act something to see how far I can study well. I am not good at reading Chinese. Maybe I can listen to Chinese stories. Perhaps some reading buddies can help me.'

2C Ronel replies, 'The Chinese writing is the most difficult. The strokes of Chinese characters are too complicated. Though I have learnt the strokes since kindergarten, there are too many types to be learnt when I get promoted year after year. To overcome this, I always remind myself the stroke song and I need to write the Chinese characters from top to the bottom and from left to the right. Moreover, I need to thank my Chinese teacher who always asks me to write the Chinese characters on the board and corrects my strokes.'

Kids, if you find learning English difficult, why don't you try some ways to overcome the difficulties like these guys of learning Chinese?
