小童軍

本年度開始，我校的小童軍正式成立，部分小一和小二同學能在活動課時段參與其中。小童軍又名「小草蟻」，是一隊年幼的制服團隊，口號為「小童軍，向前進」。小童軍共分為三小隊，每隊設隊長和副隊長。透過小隊制，小童軍學會了領導的技巧和與人合作的重要性。小童軍活動多姿多彩，如參觀消防局、社區探索、生活技能訓練和大食會等，讓小童軍在個人情緒、社交及自我的發展上，都得以進步。

In recent years, Samuel is writing stories about protecting the environment. He is one of the participants of the Kids4kids Story Creation this year. Here is his story.

A Life Change

The thick tree trunk, the blue sky, the white clouds and the colorful feathers and fur were treasures of the jungle. Sam, a little monkey with long arms, small eyes and **swift movements of swings and skips**, never felt bored in the environment. Among the green leaves, the **toucan with a weird look**, squeaked like goblins. The grey elephant was like a polygon, **trumpeted** like **extinct dinosaurs**.

Everyday, Sam played hide and seek with his friends. They climbed trees and swung from trees to trees. Sam was always the fastest and fittest. Many a time, Sam sat quietly and explored new ideas by staying high up on the **canopy**. Sam's mother wanted to train Sam as the leader of the jungle, like his father. However, Sam did not think himself fit in the role. He wanted to be free. He wanted to choose his own living style.

When the sky turned purple, Sam woke up, climbed to the top of the tree and found an old green plane among the trees. Looking far away, there was a city, **full of adventures**. One day, Sam decided to leave and started his exploration. He was excited. He set off with a small luggage. His thought his life was turning into a new leaf. Sam got onto the plane, waving **GOODBYE** to his friends, his family and his homeland.

To his disappointment, the city did not have any exciting adventures. Instead, there was pollution, **smog and dust**. Sam studied hard for the reasons. These **pollutants** were harmful. What's worse, it was extending to the jungle. Alas! Sam decided to make a big change in his life. He returned to the jungle as the leader. He had a big plan to protect the jungle.

Samuel

I like drawing stories and pictures and nothing can stop me from joining the story creation writing competition. I will try some new topics that I can write and not just writing about animal stories. And I will chase my dream to reach my dream with my big brain in facing all kinds of environmental problems.

Miss Fung

Samuel Lee has strange ideas. There are many 'BIG' ideas in his mind. As a writer, writing story is a kind of **expressive approach**, just like composing songs to show one's wish and **perspective**.
